

Is Nagging Pain Killing Your Back Nine?

Discover the Therapeutic Power of Light.

Introducing LumiWave™ infrared light therapy device.

Tired of pain that's killing your golf game? Turn to LumiWave and enjoy the freedom to grip it and rip it like you used to.

LumiWave offers pain relief through a patented lightweight, easy-to-use, portable device. It's FDA cleared, so you can trust LumiWave to be safe.

How does it work? LumiWave uses the long-known therapeutic benefits of infrared light and soothing heat to increase circulation and boost energy-producing enzymes vital to rejuvenating damaged cells. The result is a noticeable reduction in pain and greater freedom in your golf swing.

LumiWave. Freedom to enjoy 18 holes. Without breaking your stride.
